

CleanScreen

a safer workplace

A screen system designed to meet today's workspace requirements. With multiple mounting methods, this enables you to place a screen in every position to keep the workplace clean. The smooth finish allows for quick sanitation.

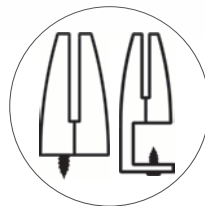

Material

Clear Acrylic or Rigid Composite

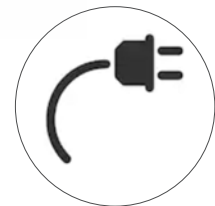

Easy to clean

With a rigid finish, it is easy to spray down and disinfect when required.

Clamps

Two types of brackets allow on top or below the work surface depending on desking system.

Cables

A cutout at back of screen allows for neat cable management.
