2-person Step

To prevent possible scratches or damage, assemble the product on a soft surface such as a blanket, carpet or packaging.

# Wing Seat Assembly Instructions

1 Insert Pins into keyholes, slide down until top is flush.

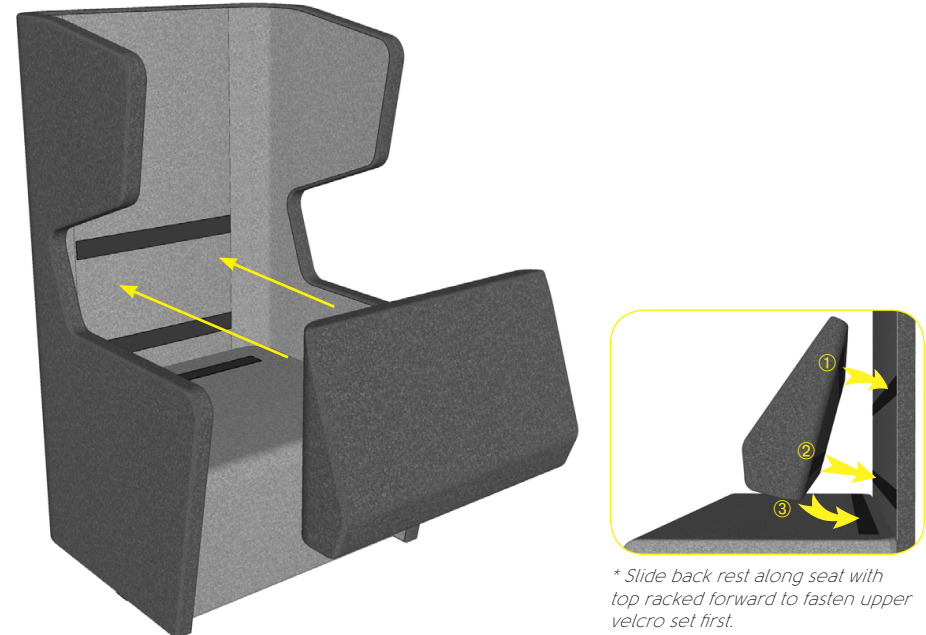

2 Once panels are flush, slide pin across to lock panels together.

3 Lie the panels on their back and place seat base inside, then screw plate to panels and seat base to fix firmly.

4 Locate the velcro strips on the backrest with those on the panels.

\* Slide back rest along seat with top racked forward to fasten upper velcro set first.
