If the Customer does not comply with the directions aforementioned, Workspace48 is not required to provide services in accordance with this warranty. Without the description and images, Workspace48 can neither investigate the claim nor provide an appropriate solution.

Goods purchased from Workspace48 are covered by guarantees that cannot be excluded under Canadian Consumer Law. The Customer is entitled to a replacement or refund in a case of major fault.

Minor variations in dimensions, color, grain, or finish in Goods received by a Customer, when compared with images or descriptions on the Website, are not covered by this Warranty. The Warranty does not cover damage that affects only packaging.
