

**WORKSPACE**  **48**

**Kinetic.**

A close-up photograph of a desk's edge and a leg. The desk top is made of dark wood with a visible grain. Below it is a white, adjustable leg. The leg consists of two stacked rectangular sections, with a thin metal band visible between them, indicating a height-adjustable mechanism. The background is a blurred carpeted floor.

**Kinetic.**

high powered height adjustability

Kinetic creates healthy workspaces,  
with agility and flexibility

Kinetic is available in 2- and 3-stage legs to accommodate multiple height ranges

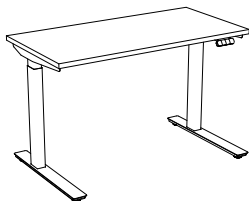

Push button controllers with 3 memory presets adjust the motor quickly and quietly

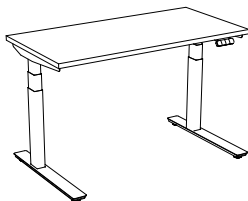

Four laminate worksurface colors
