# Motion<sup>®</sup>Office prioritizes comfort, with a multi layered, supportive foundation.

Motion®Office modular seating is built with layers of comfort, for all-day seating that supports the body, naturally.

Motion® modules offer premium comfort with high-resilience foam and pocket springs that give rest and relief to your body – whether you are working, socializing, waiting or just relaxing.

Our comfort promise is backed up with a 10-year warranty. Review the terms in our Warranty document.

Unlike competitor products where fabric covers foam atop hollow plywood, Motion®Office foam sits on a web sprung platform, supporting the body more effectively and giving greater comfort – especially impactful with long-term sitting.
