

WORKSPACE

Versi.

Versi.

a versatile privacy screen + bracket system

Versi screens are tackable, acoustical, and fully recyclable at the end of their useful life

A blackboard is mounted on a white desk. Below the blackboard, a control panel is visible on the desk surface. The desk is supported by white legs. In the foreground, a yellow cushioned bench is visible. The background is a white wall with diagonal lines.

Versi offers complete versatility and customization,
with 4 screen styles and 6 bracket options

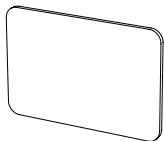

Versi's thick, 50% recycled 18mm
PET offers structural integrity
and premium sound absorption

Versi is a universal
privacy line, designed to
work with the workstation
of your choosing
