

Vibe.

WORKSPACE  48

# Vibe.

Height Adjustable benching  
with integrated power/data

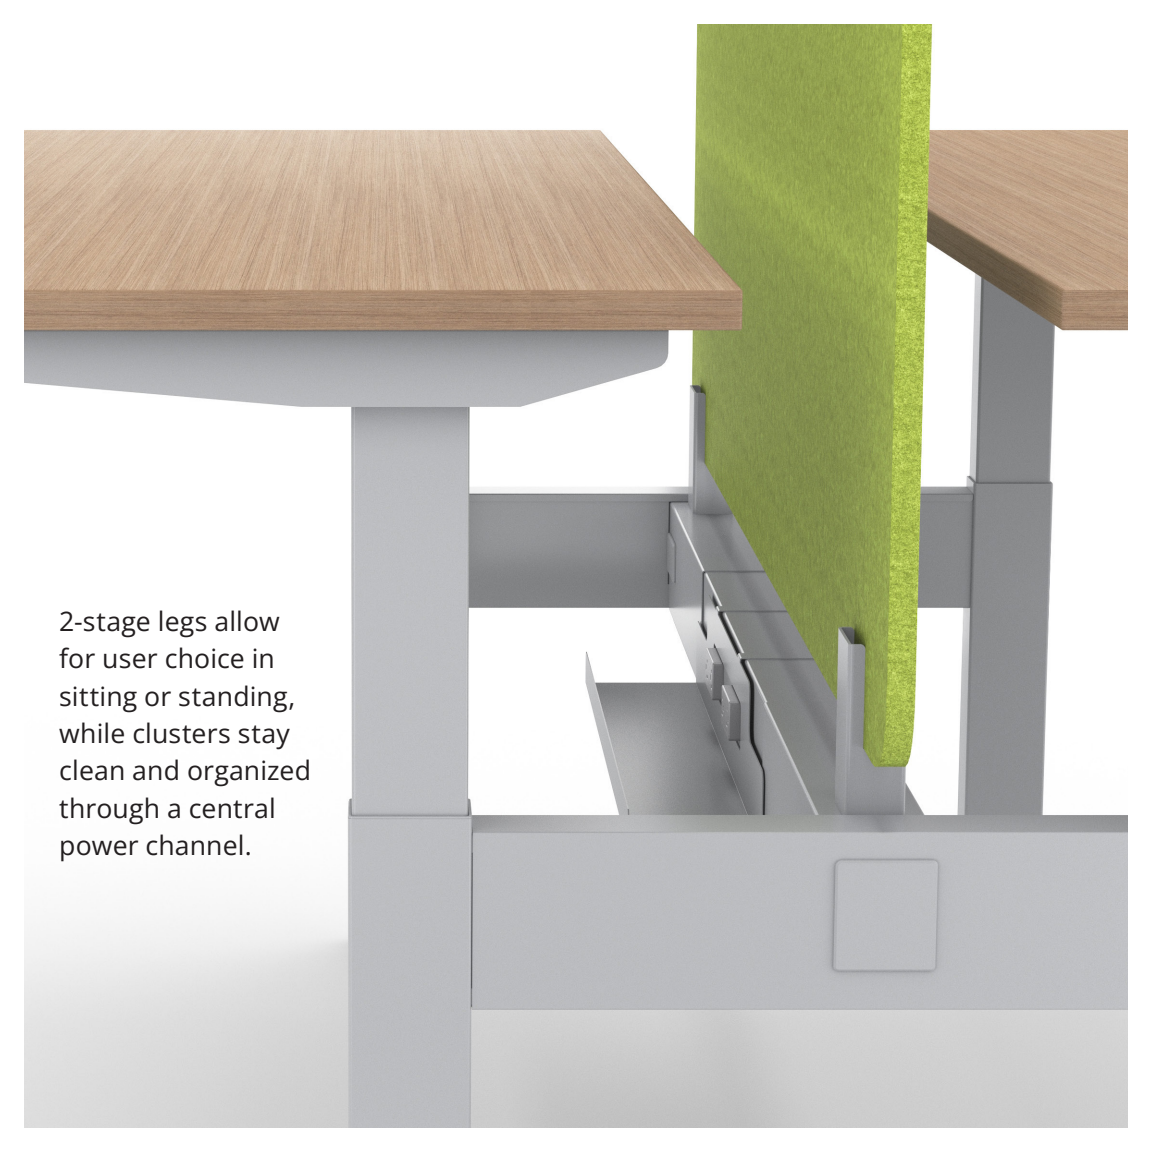

Attach privacy screens  
to the worksurface  
or the Vibe beam, for  
options in functionality  
and aesthetics.

Vibe is available in both single and double runs plus returns, with frames in White, Black and Silver.

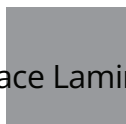

2-stage legs allow for user choice in sitting or standing, while clusters stay clean and organized through a central power channel.

A modern wooden conference table with a light wood grain finish. A large, matching wooden privacy panel is attached to the side of the table. In the background, a green upholstered chair is visible. The table has a grey metal base with adjustable legs. A small black control panel with buttons and a digital display is located on the underside of the table near the leg.

Privacy Panels and Gallery End  
Panels are available, adding  
modesty and a clean look.
